1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I have been a customer of Duke Power for 28 yrs., 4 months. I strenuously object to this very unreasonable rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I and my husband are senior citizens who live on very-fixed incomes. Our social security payments have not increased in three years. However, food, fuel, and other staples have. This proposed rate increase would put even more of a financial burden on the people who can least afford it. Please deny Duke Energy this rate request. It is so unfair.

I will try and attend one of the meetings. I cannot firmly commit to being there due to illness in my family.
Most sincerely,
Annette Christy
